# Welcome to York from Vince Cable MP

**We look forward to welcoming you to the Liberal Democrat Spring Conference in York.**

As this guide goes to press, British politics is in flux and the whole of the European Union awaits with increasing dismay as the Prime Minister doggedly defends a Brexit deal which has been trounced by Parliament.

Our consistent position on Europe is bearing fruit, with hundreds of thousands supporting our Exit from Brexit campaign, and real evidence of the sands shifting in our direction. By the time we meet on 15–17 March, much may have happened.

As things stand today, the Prime Minister's deal seems most unlikely to be resuscitated unless she concedes a People's Vote, with an option to remain in the European Union.

Brexit has been overseen and prosecuted by a hopelessly divided government. A divided team of one, attempting to make headway with a united team of 27 countries in the EU. It has been testament to the strength of the European Union, that Ireland's interests have

been so faithfully defended, to the fury of Brexiteers.

Yet the present mess is not the fault of the Conservative Party alone. The abject failure of Jeremy Corbyn's Labour Party to provide any credible opposition has permitted the Government just to let the clock tick down while they attempt to repair internal divisions. The national interest has been shamefully suborned to the respective interests of both big parties.

At this conference, we offer the British people real hope of a way through. With a People's Vote and an Exit from Brexit, our country could reap the economic reward of remaining, and move on to refocus on what matters to the public. A world class education system with lifelong learning, a well-funded, sustainable NHS, an ambitious programme of social housing. As a leading member of the European Union, we can punch above our weight on the world stage to fight global climate change.

Stopping Brexit is not just an end itself. Our belief in the European Union as the continent's most successful peace project, and the world's biggest market of

consumers, is not just a romantic attachment. We believe in our role in Europe because of what our membership means for what we can deliver in Britain, and for what that union of nations can achieve in the world.

Beyond Brexit, the existing party system could well break wide open. We must become the gathering point for liberal voters and liberal voices presently dotted around the political spectrum.

At this conference, we debate crucial reforms to open the party up, inviting in a range of supporters who have not yet committed to membership.

I want to see our party welcome hundreds of thousands of new people with open arms, and a willingness to give those who support our values a real say in the future.

Thank you for playing your part in our conference, and for all you do for the party this and every year. See you in York.

**Vince Cable MP**  
**Leader of the Liberal Democrats**

### Speaker's cards online

We are now accepting electronic submission of speaker's cards in all debates. Electronic submissions will open on 9 March with a deadline of one hour before the start of the debate. To submit a card online, go to:

[www.libdems.org.uk/speakers-card](http://www.libdems.org.uk/speakers-card)

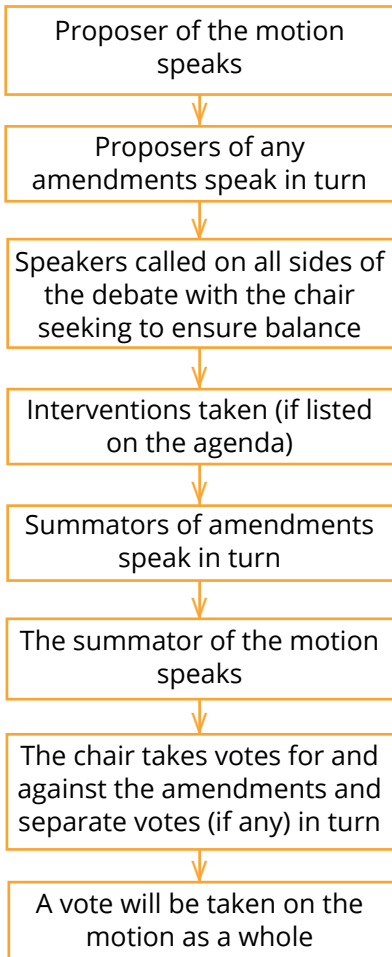

Cards can also be submitted in person as usual before and during the debate. See page 9 for further information.

## Debates and votes at conference

Debates on policy and business motions are at the heart of federal conference. It is through them that the party sets its policy and future direction. Unlike in other parties, Liberal Democrat members are sovereign, and what they decide really matters.

### The structure of debate on policy and business motions:

**Interventions:** concise (one minute) speeches made from the intervention microphone(s) on the floor of the auditorium, during debates where it is indicated in the **Agenda**.

**Amendments:** all motions except emergency motions are open to amendment; amendments accepted will be printed in **Conference Daily**.

**Voting:** decisions on most motions and all amendments and separate votes are by simple majority of those voting (2/3 majority for constitutional amendments). To vote, voting members must show their voting badge whilst seated on the ground floor of the auditorium.

**Separate votes:** a vote to delete or retain the specified words or section. A request for a separate vote may be submitted by any party member: by the start of the first conference session on the day before the debate is scheduled, **or** by the deadline for emergency motions for debates scheduled for the first day of conference; using the online form at [www.libdems.org.uk/conference\\_submissions](http://www.libdems.org.uk/conference_submissions), by email to [separate.votes@libdems.org.uk](mailto:separate.votes@libdems.org.uk), **or** in writing to the Speakers' Table in the auditorium.

**Counted vote:** the chair of the session may decide that a vote needs to be counted. Any voting member may request a count from the floor; if fifty voting members stand and show their voting cards, a count will be taken.

# Speaking and voting in conference debates

## Eligibility to speak and vote

All party members are entitled to speak and vote in conference debates, providing they are:

- attending conference as a party member (and not an exhibitor or observer); and
- not registered as a day visitor.

Party members fulfilling these criteria are known as 'voting members'.

FCC may also give permission for other persons to speak (but not vote) in conference debates.

## Length of speeches

The length of speeches is shown against each motion in the **Agenda**.

There are three lights on the speaker's rostrum and visible either side of the stage. The green light is switched on at the beginning of the speech. The amber light is switched on 60 seconds before the end of the allowed time (20 seconds before the end of an intervention). The red light is switched on when all the time is used up, and the speaker must stop immediately.

## Applying to speak

To make a speech in a debate you must complete a speaker's card, collected from and returned to the Speakers' Table at the front of the auditorium, an auditorium steward

or the Information Desk.

Speaker's cards can also be submitted electronically from the 9th March until one hour before the start of the debate at [www.libdems.org.uk/speakers-card](http://www.libdems.org.uk/speakers-card)

## Completing a speaker's card

When completing a speaker's card:

**1 Submit your card well in advance.** The chair and aide team for the debate will meet well in advance to plan the debate – sometimes the previous day.

**2 Fill in your card completely.** Including the two sections on the back of the card as well as the front, as this enables the chair and aide to balance the debate and call people with relevant experience and avoid a string of people making the same point.

**3 Make sure it's readable!** Don't fill every square centimetre of the card, write illegibly, in very small letters, or in green ink ... The easier the card is to read, the more likely you will be called.

## Interventions

To speak during interventions, voting members should complete an intervention card, collected from and returned to a steward in the auditorium. Speakers will be chosen by the chair of the session by random ballot.

# Other conference sessions

## Emergency motions and topical issue discussions

Emergency motions are debated and voted on and make formal party policy like other motions, but refer to a substantial development since the deadline for submission of motions.

Motions selected for debate, and/or for selection by ballot along with the ballot procedure, will be printed in Saturday's *Conference Daily*.

Topical issue discussions allow members and spokespeople to discuss and comment on a political issue live at the time of conference; they do not make party policy.

The topical issue to be discussed is chosen by officers of the Federal Conference Committee and Federal Policy Committee and will be printed in Saturday's *Conference Daily*.

## Question & answer sessions

Any party member may submit a concise question (maximum 25 words) on any subject for the Leader's Q&A. Questions will be selected by the chair and put by the submitter from the intervention microphones in the auditorium.

Questions may be submitted using the online form:

- at [www.libdems.org.uk/conference\\_submissions](http://www.libdems.org.uk/conference_submissions).
- by 13.00 Monday 4 March.

Questions may also be submitted on a form collected from and returned to the Speakers' Table in the auditorium by:

- 12.50 Saturday 16 March.

## Reports

The reports of Federal Committees and Parliamentary Parties are printed in the separate reports document.

Any party member may submit concise questions on these reports. The chair will select which questions will be asked. Questions to reports of the Parliamentary Parties may relate to any aspect of Liberal Democrat activities in the UK or European Parliaments.

Questions may be submitted using the online form:

- at [www.libdems.org.uk/conference\\_submissions](http://www.libdems.org.uk/conference_submissions).
- by 13.00 Monday 4 March.

Questions received by the deadlines above will be printed in *Conference Daily*.

Questions on events occurring after the deadlines above may be submitted on speaker's cards at the Speakers' Table up until one hour before the start of the relevant session.

# Thank you Paddy

by Olly Grender

Somebody will be tragically missing at this party conference. Our whirlwind of a former leader with too many titles to mention, but to all of us at conference he was simply “Paddy”. No need for deference – he never demanded or expected that.

Dashing from fringe meeting to conference rally at breakneck speed, teasing young staffers, filching fags, telling that joke – yes that joke again at the Glee club. Always the “go to” person for media – willing to be up at the crack of dawn taking on the Today Programme. Next – whistling to Jane, who followed in his wake – calm, centred, smiling – the emotional anchor to this energetic battle cruiser.

Like all leaders he had good and bad conferences, he respected conference and prepared for it as you would expect, a military operation. His speeches – especially when he was the leader – were often on the 25th draft by the time he arrived. The speech team meetings into the early hours and the torture of delivering the carefully crafted words that provided “equidistance” between the two main parties, finding the inspiration for issues such as Hong Kong citizenship so close to his heart or speaking out for Bosnia – the human atrocity in Europe’s backyard.

At his first conference he gave three keynote speeches – all hugely

challenging – his radical credentials on the environment pre-date many. He could move an audience to action in a single rally speech. One of the first conference rallies under his leadership included Chinese students, sentenced to death, who had stood in front of the tanks in Tiananmen Square – his international credentials were never in question.

Like a proud parent he loved the party but never stopped demanding more from it. On the eve of the 2017 Autumn Conference he published a series of challenges on the changing nature of education, ownership of data, radical changes to political parties and blockchain in public services.

## Thank you Paddy – *continued from page 18.*

In later years he took great pride in his writing, his last book “Nein”, arguably his best, about brave individuals in Germany who fought against Hitler – a warning for the future when people feel the pain of economic collapse, hunger for strong men and find the appeal of ‘fake news’ too hard to resist.

So how do we honour him? There will be formal events over the next year at conference and in Westminster, but as individuals we should never stop challenging ourselves in policies and action to ensure that centre left radical policies have a voice. We should never engage in mindless activism – it has

to be activism with a purpose, with a goal.

At conference I like to think of Paddy somewhere in the melee – laptop open – typing furiously the latest book, a supportive or difficult email to a colleague or perhaps a shared joke with his adored family. Somewhere in spirit that’s where he’ll be – just around the corner.

### Book of condolence

There will be a book of condolence at conference to which you can contribute your memories of Paddy. It will be available at the Information Desk.

## **F4 Eradicating Race Inequality (Race Equality Policy Paper)**

*Federal Policy Committee*

# Saturday 16 March

Mover: Baroness Hussein-Ece (Spokesperson for Equalities).

Summation: Merlene Emerson.

- 1 Conference celebrates the racial and cultural diversity of people
- 2 living in the UK.
- 3 Conference is appalled that race discrimination in the UK still affects
- 4 so many people and deplores the negative impact that this has on
- 5 their lives. Conference abhors the slow progress made in redressing
- 6 institutional racism in the criminal justice system and in many other
- 7 institutions. Conference is particularly dismayed by the fact that:
- 8 i) One in five children in Black households and one in four children
- 9 in Asian households live in persistent poverty, compared to one
- 10 in ten children from White British households.
- 11 ii) Around one in ten adults from a Black, Pakistani, Bangladeshi
- 12 or Mixed background were unemployed compared with one in
- 13 twenty-five White British people.
- 14 iii) Gypsy, Roma and Traveller (GRT) children are four times more
- 15 likely than average to face exclusion from school and Black
- 16 Caribbean pupils are three times more likely.
- 17 iv) Black African women are seven times more likely to be detained
- 18 under mental health legislation in England than White British
- 19 women.
- 20 v) Ethnic minority people are poorly represented in public life: only
- 21 8% of MPs and 4% of councillors are from an ethnic minority
- 22 group.
- 23 vi) Reports of hate crime rose sharply in the aftermath of the 2016
- 24 Brexit vote.
- 25 While the situation is bad enough for ethnic minority people,
- 26 Conference notes that it is made so much worse for people who face
- 27 multiple discrimination on the basis of their gender, their sexuality,
- 28 whether they are transgender, their age and/or their disability.
- 29 Conference believes that if race inequality is to be properly
- 30 addressed (be it in education, employment, health, housing or in the
- 31 justice system) it requires a Liberal Democrat approach; we need
- 32 to hold power and public institutions to account through values of
- 33 fairness, transparency and accountability whilst giving individuals the
- 34 skills and information that they need to make the best decisions that
- 35 they can.
- 36 Conference calls for Liberal Democrats to combat racism – whether

# Saturday 16 March

- 37 conscious or unconscious – wherever we find it. Conference  
38 endorses policy paper 135, *Eradicating Race Inequality*, as a statement  
39 of how the Liberal Democrats will do this.
- 40 Conference particularly calls for:
- 41 1. The celebration of the UK’s diversity, by:
- 42 a) Investing in projects that will promote ethnic minority role  
43 models in all walks of life.
- 44 b) Using teaching on citizenship as part of the ‘curriculum for life’  
45 in schools to promote understanding about the experience of  
46 ethnic minority people in the UK.
- 47 c) Introducing a day to celebrate the positive impact of ethnic  
48 minority people on the UK over the centuries and placing  
49 plaques, statues and memorials to celebrate the historical  
50 impact of ethnic minority people around the UK.
- 51 2. Measures to address clear cases of discrimination, prioritising:
- 52 a) Ending the hostile environment and providing prompt  
53 reparations in cases of miscarriage of justice.
- 54 b) Exposing and confronting the stereotyping and demagoguing  
55 in public life which inflames hatred and supporting the work  
56 of organisations that tackle hate crime.
- 57 c) Reducing the number of school exclusions by giving local  
58 authorities the remit and resources to act as Strategic  
59 Education Authorities for all schools in their area.
- 60 d) Tackling health inequalities by funding public information  
61 campaigns to tackle stigmas within specific communities.
- 62 e) Reducing the number of ethnic minority people criminalised  
63 with a drug policy that has a public health focus and with  
64 a whole-system approach to rehabilitation that prioritises  
65 diversion from the criminal justice system.
- 66 f) Exposing and confronting the stereotyping in the media that  
67 leads to spikes in hate crime.
- 68 g) Strengthening the equality duty for mainstream housing  
69 associations and tenant management organisations, and  
70 increasing support for specialist BAME housing associations  
71 as well as BAME community centres.
- 72 3. Improvement of ethnic minority representation at all levels  
73 through fairer processes in admissions, recruitment or  
74 promotions within companies and organisations by:

# Saturday 16 March

- 75 a) Introducing name-blind processes for organisations with  
76 more than 10 employees who are in receipt of public funds  
77 (including universities recruiting students) and requiring them  
78 to show they have considered the ethnicity of interviewees  
79 when appointing interview panels.  
80 b) Working with experts to develop a freely available  
81 comprehensive unconscious bias training toolkit and make  
82 the provision of unconscious bias training to all members of  
83 staff a condition of the receipt of public funds.
- 84 4. Government to work with businesses, professional organisations  
85 and the public sector to agree and introduce 'targets with teeth'  
86 and drive a move towards greater transparency around ethnicity  
87 statistics, by:
- 88 a) Promoting an attitude of openness and transparency towards  
89 data about diversity: beginning with publication of an  
90 ethnicity pay gap along the same lines as for gender pay gap  
91 data.  
92 b) Prioritising the following areas for implementing this  
93 approach: school exclusions of Black Caribbean and GRT  
94 children; the judiciary; senior management of organisations,  
95 including NHS Trusts; diversity in public life.
- 96 5. The protection of funding to services that disproportionately  
97 benefit ethnic minority people, by:
- 98 a) Establishing a national fund for projects that work in schools  
99 to raise the aspirations of ethnic minority children and young  
100 people.  
101 b) Investing substantially in youth services so that they are able  
102 to deliver a wider range of services, help more young people  
103 and provide better training to youth and outreach workers.  
104 c) Ensuring the powers and funding of the Equalities and Human  
105 Rights Commission are restored to 2010 levels and that there  
106 will be a new Cabinet Minister for Race Equality.

*Applicability: Federal; except 1. b) (lines 44–46), 2. c) & d) (lines 57–61), 2. g) (lines 68–71) and 5. a) & b) (lines 98–103), which are England only.*

## F8 Cleaning Up the Air We Breathe: How to Tackle Road Pollution

14 members

Mover: Baroness Randerson (Spokesperson for Transport).

Summation: Wera Hobhouse MP (Spokesperson for Communities and Local Government).

- 1 Conference notes with concern:
- 2 A. The dangerous rise in the emissions of nitrogen dioxide (NO<sub>2</sub>),
- 3 particulates, and ozone (O<sub>3</sub>).
- 4 B. The impact of these emissions cause 40,000 early deaths each
- 5 year.
- 6 C. That emissions have serious impacts of children's health
- 7 particularly impairing lung development.
- 8 D. That the UK has broken the legal limits, set by the EU, for NO<sub>2</sub>
- 9 every year since 2010.
- 10 E. That road transport is responsible for 80% of roadside NO<sub>2</sub>
- 11 emissions.
- 12 F. That the EU is currently responsible for ensuring the government
- 13 complies with air quality legislation, and that this oversight would
- 14 be lost after Brexit.
- 15 Conference believes that:
- 16 i) People have the right to live in an area with unpolluted air.
- 17 ii) All laws currently governing air quality currently afforded under
- 18 EU regulations must be upheld in UK law.
- 19 iii) The government must be fully accountable for missing any air
- 20 quality targets and government policy must support cleaning up
- 21 the air we breathe.

# Saturday 16 March

22 Conference calls on the Government to:

- 23 a) Introduce a ban on the sale of new non-hybrid diesel and petrol  
24 cars and small vans within the next decade.
- 25 b) Replace their own current vehicle fleet with electric, hybrid or  
26 other ultra-low emission vehicles by 2022.
- 27 c) Pass a Clean Air Act, based on World Health Organisation  
28 guidelines, enforced by a new Air Quality Agency, enshrining the  
29 legal right to unpolluted air wherever people live.
- 30 d) Undertake air pollution testing more widely and frequently, with  
31 warning signs displayed in pollution hotspots and in sensitive  
32 areas such as near schools.
- 33 e) Reform Vehicle Excise Duty so that it is graduated to reflect levels  
34 of both NO<sub>2</sub> and CO<sub>2</sub> emissions in every year.
- 35 f) Introduce a ban on idling in vehicles, near schools, hospitals,  
36 parks and care homes, with fines for those who ignore the ban.
- 37 g) Reverse the cuts to electric vehicle subsidies and extend them by  
38 exploring VAT reductions for electric vehicles.
- 39 h) Use its new powers to standardise plug sockets for electric  
40 vehicles.
- 41 i) Invest in research into alternative technologies, such as  
42 hydrogen fuel cells, as well as into battery technology.
- 43 j) Provide the funding to retrofit or replace all diesel buses  
44 operating in urban areas within five years.
- 45 k) Introduce new planning legislation ensuring that all new  
46 developments and large-scale regeneration schemes include  
47 electric car charging facilities.
- 48 l) Invest significantly in schemes to speed up the strategic roll-out  
49 of rapid charging points. Work with local authorities to expand  
50 them to popular in-town locations such as public car parks and  
51 supermarkets.
- 52 m) Invest in residential on-street charging, using the existing lamp  
53 post infrastructure wherever possible so as not to clutter the  
54 pavement.
- 55 n) Provide greater and more ambitious support for all forms of  
56 public transport and for active travel initiatives involving walking  
57 and cycling.

58 Conference reaffirms pledges in the Liberal Democrat 2017  
59 manifesto to:

- 60 1. Extend ultra-low-emission zones to 10 more towns and cities.
- 61 2. Require all private hire vehicles licensed to operate in urban

# Saturday 16 March

- 62 areas should be electric, hybrid, or capable of running on other  
63 ultra-low emission technology, within five years.  
64 3. Reform vehicle taxation to encourage sales of electric and low-  
65 emission vehicles and develop electric vehicle infrastructure  
66 including universal charging points.

*Applicability: Federal; except 3 (lines 64–66), which is England and Wales; and d) (lines 30–32), f) (lines 35–36), j) (lines 43–44), l), m) & n) (lines 52–57), and 2. (lines 61–63), which are England only.*

*Mover: 7 minutes; summation of motion and movers and summation of any amendments: 4 minutes; all other speakers: 3 minutes. For eligibility and procedure for speaking in this debate, see page 9.*

## 15.55 Business motion and constitutional amendment

Chair: Geoff Payne (Chair, FCC). Aide: Cllr Nick Da Costa (Vice Chair, FCC).  
Hall Aide: Cllr Zoë O'Connell (Vice Chair, FCC).

### F9 Business motion: A Registered Supporters' Scheme

*Federal Board*

Mover: Mark Pack.

Summation: Miranda Roberts (Chair, Federal People Development Committee).

- 1 Conference notes that:
- 2 I. Successful political parties are mass movements of people who  
3 work together to realise common values and political aims.
- 4 II. The Party's strategy, adopted by Federal Conference in spring  
5 2018, set out a plan for building a mass grassroots political  
6 movement.
- 7 III. Membership of the Liberal Democrats remains unusual amongst  
8 UK political parties in the important role that members have in  
9 running the Party, including the rights to:
- 10 a) Decide on the Party's policy, through the rights to submit  
11 policy motions, to take part in policy working groups, to elect

# Saturday 16 March

- 12 members of the Federal Policy Committee and to speak and  
13 vote at Federal Conferences.
- 14 b) Choose the Party's elected representatives by voting to select  
15 local Council candidates, Westminster candidates, Assembly  
16 and Parliamentary candidates.
- 17 c) Set the direction for the Party by voting in internal Party  
18 elections, including for President and Federal committees,  
19 and by voting at Federal Conference on the Party's strategy.
- 20 d) Nominate candidates for Leader.
- 21 e) Participate further themselves by applying to be candidates  
22 representing the Party in public elections, serving on Federal  
23 Committees with substantive power over how the Party is run  
24 and by holding posts in local parties, regional parties, state  
25 parties and party organisations – all with major powers and  
26 autonomy.
- 27 f) Access information and training via the members area of  
28 the Federal website and extensive training sessions, often  
29 provided for free.
- 30 IV. Liberal Democrat Party membership has more than doubled  
31 since 2014 but is still less than 4% of those who voted for the  
32 Party at the 2017 general election.
- 33 V. Many local parties, both large and small, have shown great  
34 success at recruiting regular helpers beyond their formal  
35 membership ranks, with some of our keenest deliverers,  
36 canvassers and poster sites being people who have decided not  
37 to join the Party.
- 38 VI. The Federal Party has also had great success at recruiting people  
39 who regularly support the Party's national campaigns but also  
40 have decided not to join the Party.
- 41 VII. Between them, these local and national groups of supporters are  
42 estimated to come to more than 250,000.
- 43 VIII. However, the Party's ability to treat supporters well and to get  
44 the most from their support is hampered by the way information  
45 about the supporters is fractured across the Party and often  
46 not readily available to those who will make best use of it (for  
47 example, local supporters may not see national campaigns, and  
48 those responding to national campaigns may not know what is  
49 happening in their local area).
- 50 IX. Some of our sister parties are developing registered supporter

# Saturday 16 March

51 categories that have also led to substantial increases in full  
52 membership. This includes registered supporters having some  
53 rights although not full membership rights.

54 Conference believes that:

- 55 A. 21st century political parties need to draw people into their  
56 movements in new and effective ways.
- 57 B. The experience of recent campaigns, including our successful  
58 Exit from Brexit campaign, is showing that our members and  
59 supporters welcome online and national campaigning as one of  
60 the ways to demonstrate and act on their political beliefs.
- 61 C. Any supporter scheme should be for the whole Party so that  
62 supporters can benefit from all the different advice, support and  
63 activities that the Party can offer and so that all parts of the Party  
64 can benefit from the scheme.
- 65 D. Any supporter scheme should be attractive to those who sign  
66 up, but there should be clear differences between the rights and  
67 benefits of membership and the benefits to supporters.

68 Conference therefore recommends that:

- 69 1. The current arrangements for supporters be formalised into a  
70 registered supporter scheme as set out in the accompanying  
71 paper.
- 72 2. Eligibility to become a registered supporter will include:
  - 73 i) That the minimum age for supporters will match that for  
74 membership.
  - 75 ii) People not on the electoral roll will be able to register as  
76 supporters (for example: under 18s and those living abroad).
  - 77 iii) Members of other parties will be permitted to register as  
78 supporters; this will allow those who vote tactically for us and  
79 support us in other ways to become more involved.
- 80 3. Registered supporters will be asked to confirm that they support  
81 the Party's values as set out in the short version of the Preamble  
82 to the Party Constitution, and there will be a 30 day cooling off  
83 period on both sides for new supporters along with a process by  
84 which supporters can be expelled for not upholding these values  
85 or for other behaviour that brings the Party into disrepute.
- 86 4. The Federal Party database will administer the database of  
87 registered supporters, providing access in secure ways to other  
88 parts of the Party, including local, regional and state parties, as

# Saturday 16 March

- 89 well as Party bodies.
- 90 5. Local parties are provided with the data and support to welcome  
91 new registered supporters and to help identify within the  
92 30-day cooling off period any who do not meet the scheme's  
93 requirements.
- 94 6. The benefits for supporters will include:
- 95 i) Contributing their views on policy and campaigning priorities.  
96 ii) Serving on Policy Working Groups where they have relevant  
97 expertise.  
98 iii) Attending Federal Conference as a Supporter (paying an  
99 appropriate fee, but without the right to vote).  
100 iv) Joining Associated Organisations (if those bodies wish to let  
101 supporters join).  
102 v) Access to Party affinity schemes, such as the Ecotricity energy  
103 deal.  
104 vi) Regular contact from the Party, nationally and locally,  
105 including ways to get involved, find out more and  
106 opportunities to attend some Party training events.  
107 vii) Being able to vote in the election for the Leader of the Party  
108 (but not to nominate candidates in such an election); this  
109 would not be open to supporters who are members of other  
110 political parties or who fail other verification checks, such as  
111 to confirm that they are real people.
- 112 7. The Federal People Development Committee (FPDC) will monitor  
113 arrangements for the supporter scheme, liaising with the State  
114 parties. This will include conversion to donor and membership,  
115 diversity amongst supporters and activity levels of supporters by  
116 region and state.
- 117 8. The complaints system to enable 3 will be clear and robust:
- 118 i) Supporters will not have the same rights as members, and the  
119 Party will be able to terminate the supporter's participation  
120 in the scheme if they have breached our rules, values or  
121 supporter code of conduct. This will be overseen by the  
122 Membership Subcommittee of the FPDC.  
123 ii) There will be no appeal against removal from the supporter  
124 scheme.  
125 iii) No member who has been expelled or suspended from the  
126 Party, or had their membership application rejected, may join  
127 the supporter scheme unless the sole grounds for doing so

# Saturday 16 March

- 128 was membership of another party.
- 129 9. All parts of the Party, including local, regional, state and SAO/  
130 AOs, will be encouraged to involve supporters in appropriate  
131 ways; HQ (working with volunteers) will produce guidance for  
132 each grouping as to how best this can be achieved.

*Applicability: Federal.*

*F9 and F10 will be debated together but voted on separately. For timings and deadlines, see note after F10 on page 53.*

## ARTICLE 3: Membership

- 3.1 (a) Membership of the Party is open to all persons who agree with its fundamental values and objectives without discrimination as to age, ethnic origin, religion, disability, gender identity or sexual orientation.
- (b) As a Member of the Liberal Democrats, you must treat others with respect and must not bully, harass, or intimidate any Party member, member of staff employed to support Liberal Democrats, Party volunteer, or member of the public. Such behaviour will be considered to be bringing the Party into disrepute.
- (c) As a member of the Liberal Democrats, you must abide by the Party's data protection rules as laid out in the Member's Data Protection Code.

3.6 Membership may be refused by an enrolling body on one or more of the following grounds:

- (a) material disagreement, evidenced by conduct, with the fundamental values and objectives of the Party;
- (b) the admission of the applicant would be likely to bring the Party into disrepute; or
- (c) membership of another political party in Great Britain.

Any person whose membership is refused shall have a right of appeal, which must be made in writing within 14 days of the applicant being advised of the refusal to admit, and which shall be dealt with in accordance with the guidance published under Article 22.

3.7 Membership may be revoked on one or more of the following grounds:

- (a) material disagreement, evidenced by conduct, with the fundamental values and objectives of the Party;
- (b) conduct which has brought, or is likely to bring, the Party into disrepute;
- (c) standing against the candidate of the Party in any election to public office;
- (d) membership of or support for another political party in Great Britain.
- (e) a breach of the standards set out in Article 3.1(b);
- or
- (f) discrimination against another person on the basis of a protected characteristic as defined in the Equality Act 2010.

Membership shall not be revoked unless the member has been notified of the grounds on which revocation is to be considered and has been given a reasonable opportunity to reply. Where paragraph (c), (d) or (e) of this Article 3.7 applies, membership shall be automatically and immediately suspended, and in other cases of urgency. The person or body designated in the procedures made under Article 22 may suspend membership while revocation is being considered. If the procedures do not designate such a person or body, the Chair/Convenor of the relevant State Party or their

# Saturday 16 March

deputy, or for members outside the UK the Federal Board's Chair or Vice-Chairs may suspend membership while revocation is being considered. 'Any person whose membership is revoked shall have a right of appeal, which must be made in writing within 14 days of the applicant being advised of the revocation, and which shall be dealt with in accordance with Article 22. Any person whose membership is refused shall have a right of appeal, which must be made in writing within 14 days of the applicant being advised of the refusal to admit, and which shall be dealt with in accordance with the guidance published under Article 22.

- 3.8 A register of members shall be maintained by each State Party. A register of members resident outside Great Britain shall be maintained by a State Party designated by the Federal Board to act as agent for the Federal Party. Any body entitled to maintain a list of members may use the list for its own internal purposes. The Federal Party shall have direct access to such lists. Any body holding or having access to such lists shall ensure that the information contained in them is not disclosed to any person other than for the proper purposes of the Party. Party bodies shall comply with the directives of the Federal Board in relation to the Party's data protection registration.

ARTICLE 8: The Policy-Making Process and Conference

- 8.10 The Conference shall consist of party members.

ARTICLE 13: The Federal People Development Committee

- 13.2 The functions of the FPDC, working with State Parties and other Party bodies as appropriate, shall be:

- (a) Coordinating, planning and supervising the training strategy for the Federal Party;
- (b) Coordinating, planning and supervising the diversity engagement strategy for the Party;
- (c) Coordinating, planning and supervising the membership recruitment, retention and activation strategy for the party; and
- (d) Working with AOs and SAOs as set out in Article 20 to support them in recruiting and maintaining membership and implementing the Party's policies on diversity.

ARTICLE 16: The Parliamentary Parties

- 16.1 The Parliamentary Party in the House of Commons shall consist of all Members of that House in receipt of the Party's whip. Its Leader shall be the Leader of the Party elected as provided in Article 17. It shall be entitled to make such regulations (not being inconsistent with this Constitution) as it thinks fit for the conduct of its own proceedings. In particular, these regulations shall make provision for a Chief Whip and, if thought fit, a Deputy Leader of such Parliamentary Party.

ARTICLE 17: The Leader

- 17.1 The Leader of the Party shall be elected by the members of the Party in

# Saturday 16 March

accordance with election rules made pursuant to Article 6.6.

- 17.2 An election for the Leader shall be called upon:
- (a) the Leader asking for an election;
  - (b) the death or incapacity of the Leader;
  - (c) the Leader ceasing to be a Member of the House of Commons (other than a temporary cessation by reason of a dissolution);
  - (d) the receipt by the President of the resignation of the Leader or of a declaration of intent to resign upon the election of a new Leader;
  - (e) a vote of no confidence in the Leader being passed by a majority of all Members of the Parliamentary Party in the House of Commons;
  - (f) the receipt by the President of a requisition submitted by at least 75 Local Parties (including for this purpose, the Specified Associated Organisation or Organisations representing youth and/or students) following the decision of a quorate general meeting; or
  - (g) the first anniversary of the preceding general election being reached without an election being called under any of paragraphs (a) through (f), provided that:
    - (i) the Federal Board may postpone such an election for no more than one year by a two-thirds majority of those present and voting; and
    - (ii) this paragraph (g) shall not apply if the Leader is a member of the Government.
- 17.5 Nominations must be of a Member of the Parliamentary Party in the House of Commons, who must be proposed by at least ten percent of other members of the Parliamentary Party in the House of Commons and supported by 200 members in aggregate in not less than 20 Local Parties (including, for this purpose, the Specified Associated Organisations representing youth and students as provided by Article 20.8) and must indicate acceptance of nomination.

## ARTICLE 18: Parliamentary Candidates

- 18.2 In deciding whether to enter an applicant on a list, each State Candidates Committee shall take into account:
- (a) the support shown by the applicant for the fundamental values and objectives of the Party;
  - (b) the previous participation by the applicant in the work of the Party or a former Party, both generally and within the relevant State;
  - (c) the need to ensure that the list contains a reasonable balance between both sexes and different age groups, and includes representatives of different social and economic groups and of ethnic minorities; and
  - (d) such other considerations as may be relevant in the circumstances.

## LEADERSHIP ELECTION REGULATIONS (LER)

1. The Chair of the Federal Appeals Panel shall be the Returning Officer. The rules of the Federal Appeals Panel shall make provision for a process

# Saturday 16 March

to replace the Chair in this role if necessary. The Chief Executive shall be the Acting Returning Officer. The Head of Compliance and Constitutional Support shall be the Deputy Acting Returning Officer. Other Deputy Acting Returning Officers may be appointed if required by the Acting Returning Officer.

2. The electorate for the purpose of the election shall be those members with current membership of the Liberal Democrats on the closing date for nominations, including those members whose subscriptions were due not more than three months before the closing date.
3. The sections of the membership register containing the names, addresses and telephone numbers of members will be released in electronic version to each candidate subject to the candidate signing a data protection statement agreeing to abide by the party's data protection policies under article 3 of the Federal Party Constitution. Any candidate or supporter of a candidate facilitating a breach of this clause will be deemed to be in breach of the Party's Data Protection Registration. Candidates should also have due regard to their own data protection responsibilities when collecting and using any data of their own in a Party Election.
5.
  - (a) The Acting Returning Officer shall co-ordinate arrangements for official party member hustings events via the states and regions with a view to balancing the competing demands for media coverage of the campaign, parliamentary and other duties and the desirability of party members to have a chance to attend a hustings. One or more of the official hustings may take place partly or wholly online and at least one shall be wholly online. Other party bodies may only hold hustings-type events if they invite all candidates to attend, but they do not require the agreement of all candidates to attend or send a representative in order to proceed. Events designated as official hustings by the Acting Returning Officer shall take precedence over any other arrangements a candidate may have made.
  - (b) Official party communications channels may only be used to promote hustings events approved by the Acting Returning Officer. Responsibility for organising and paying for any hustings event shall lie with the hosting organisation, but the Acting Returning Officer will assist in publicising official hustings events via the party's website, e-mail communications, Liberal Democrat News, etc.
7.
  - (a) Nominations must be of a Member of the Parliamentary Party in the House of Commons, who must be proposed by at least ten percent of other members of the Parliamentary Party in the House of Commons and supported by 200 members in aggregate in not less than 20 Local Parties (including, for this purpose, the Specified Associated Organisations representing youth and/or students)
11. The Federal Executive shall set a spending limit for election expenses, not including travel or subsistence, for each leadership candidate, when they set the timetable for the election. No candidate, or their agent, shall exceed

# Saturday 16 March

this limit in the production of publicity material and all other expenditures connected with the campaign. All donations above £500 must comply with the provisions of Schedule 7 of the Political Parties, Elections and Referendums Act 2000.

22. These regulations will be reviewed by the Federal Executive no later than six months after the completion of the elections. Before conducting the review, the Federal Executive shall first ask the Returning Officer and Acting Returning Officer to submit a report to it on the conduct of the elections. The report must include a report on any diversity measures taken as a result of any requirement under the Federal Party Constitution, potential data protection breaches and any changes or clarifications required by rulings made by the Returning Officer or the Federal Appeals Panel.

## F12 Access to Justice for All

*15 members*

Mover: Lord Marks (Lords Spokesperson for Justice).

Summation: Alistair Carmichael MP (Commons Chief Whip and Spokesperson for Northern Ireland).

1 Conference believes that:

2 A. Access to justice is a crucial right: and one that is vital for  
3 individuals to enforce their other rights and to defend  
4 themselves from injustice.

5 B. Legal aid is critical to ensuring access to justice for all and has  
6 been since its introduction in 1949.

7 Conference notes with concern that:

8 i) Legal aid spending in England and Wales has been cut by £933  
9 million in real terms since 2011: much more than the £450  
10 million forecast by the Government when it introduced the Legal  
11 Aid, Sentencing and Punishment of Offenders Act 2012 (LASPO).

12 ii) The number of civil cases receiving legal aid funding for early  
13 legal advice and assistance has fallen by more than 80% since  
14 2011, and the number granted legal aid for representation has  
15 fallen by 30%.

16 iii) The number of criminal cases receiving legal aid funding has  
17 fallen by a third since 2011.

18 iv) The number of people appearing in civil and family courts  
19 without legal representation has increased significantly since  
20 LASPO took effect.

21 v) The number of civil legal aid providers has fallen by a third since  
22 2012, creating 'legal aid deserts': parts of the country where  
23 there are no legal aid providers for particular areas of law.

24 vi) Cuts to legal aid have disproportionately affected the vulnerable,  
25 particularly disabled people, women, BAME people and those  
26 whose first language is not English.

# Sunday 17 March

27 Conference regrets that:

- 28 a) Cuts to legal aid have damaged access to justice, increased the
- 29 number of unrepresented litigants and created justice deserts.
- 30 b) Too many people, especially the most vulnerable, are currently
- 31 denied their right to access to justice, contributing to poverty and
- 32 social exclusion.
- 33 c) A lack of access to legal advice prevents the amicable resolution
- 34 of many cases, with the result that they are contested in court
- 35 unnecessarily, causing stress to the parties and wasting time and
- 36 expense.

37 Conference calls for:

- 38 1. The restoration of legal aid for early legal advice and assistance
- 39 – and representation where merited – in welfare, debt,
- 40 employment, immigration, housing and family law cases.
- 41 2. The legal aid system to be made simpler and more generous for
- 42 both civil and criminal cases, with everyone in receipt of means-
- 43 tested benefits automatically eligible.
- 44 3. Urgent reform of the Exceptional Case Funding scheme for legal
- 45 aid, including simplifying the application process, to ensure that
- 46 no one is prevented from enforcing their human rights by a lack
- 47 of funds.
- 48 4. A new right to affordable, reasonable legal assistance with a new,
- 49 independent Justice Commission to monitor and enforce it.

## **F15 Town Centres Fit for the Future**

10 members

# Sunday 17 March

Mover: Baroness Pinnock (Lords Spokesperson for Communities and Local Government).

Summation: Lord Fox (Spokesperson for Business, Enterprise and Industrial Strategy).

1 Conference notes with concern that:

2 I. Britain's high streets and town centres are struggling due to:

3 a) A weak economy caused by a crisis in productivity.

4 b) Continued Brexit uncertainty.

5 c) The burden of business rates.

6 d) The rise of online shopping.

7 e) Increased staff and pension costs.

8 f) Issues particular to an area, such as out-of-town shopping,  
9 parking problems, or planning failures.

10 II. Around 3,200 stores have closed since the beginning of 2014,  
11 and footfall in every month of 2018 was lower than it was 12  
12 months before, putting thousands of jobs at risk.

13 III. Prominent high-street and out-of-town retailers including Toys  
14 R Us and Maplin have fallen into administration, while other  
15 flagship retailers including Marks & Spencer and Debenhams  
16 have announced plans to close stores.

17 Conference believes that:

18 A. Liberal Democrats should champion business innovation and the  
19 benefits to consumers that online retail has brought.

20 B. Town centres are the heart of our local communities and should  
21 not be abandoned purely to market forces.

22 C. Local and national governments have a vital role to ensure that  
23 town centres continue to thrive.

24 Conference calls on local authorities and city regions to:

25 i) Ensure that there is a long-term plan for the future of their town  
26 centres, developed in consultation with businesses, civil society  
27 and residents; town centres should have a well-defined brand,  
28 supported by local investment, aesthetic regeneration and  
29 reform of the planning system so local authorities have the tools  
30 they need to ensure their town centres thrive.

31 ii) Make it as easy as possible for entrepreneurs to set up on the

# Sunday 17 March

- 32 high street, by offering low-cost incubation space and business  
33 support for start-ups; temporary pop-up units should be  
34 available for start-ups to trial new products and services without  
35 being tied to long rents.
- 36 iii) Maintain an up-to-date register of assets so that councils and  
37 businesses know who owns what property in town centres,  
38 building on existing good practice such as the One Public Estate  
39 programme – this will help councils formulate better plans  
40 for redeveloping town centres, and help businesses use local  
41 building stock more efficiently.
- 42 iv) Use local insights to improve customers’ experiences of visiting  
43 town centres, including by (for example) providing free public Wi-  
44 Fi, and ensuring that public spaces are well-lit.
- 45 Conference calls on the Government to empower local decision-  
46 makers to improve their town centres by:
- 47 1. Reforming commercial planning law as a matter of priority,  
48 enabling councils to ensure that commercial space is used  
49 flexibly and efficiently, including:
- 50 a) Making it easier for councils to change permitted use where  
51 deemed appropriate, including through a fast-track procedure  
52 to permit a temporary change of use when a space is left  
53 empty.
- 54 b) Ensuring that commercial property cannot be converted to  
55 residential property without planning consent.
- 56 c) Creating new planning classes for multiple use, so that  
57 services can be combined where they would not be viable on  
58 a standalone basis.
- 59 d) Introducing new planning use classes for town centres giving  
60 councils the power to discourage “clustering” of certain  
61 businesses types.
- 62 2. Sharing helpful examples of existing good practice between town  
63 centres, signposting local councils towards funding and advice,  
64 benchmarking performance, and providing common standards  
65 for data collection.
- 66 3. Encouraging businesses to create an industry-led body  
67 to help brick-and-mortar retailers adapt to the changing  
68 economy – this body should support shops to improve their  
69 online offer, help them expand the use of technology on their

# Sunday 17 March

- 70 premises, and encourage them to attract shoppers through  
71 offering experiences such as in-store advice, demonstrations,  
72 competitions, events and courses.
- 73 4. Financing this transformation of town centres by expanding the  
74 “Future High Streets Fund” announced in the 2018 Budget, which  
75 was only allocated enough money to support 27 areas over five  
76 years, far below what is actually needed.
- 77 Conference also reaffirms its call on the Government to replace  
78 business rates with a Commercial Landowner Levy, removing the  
79 disincentive to invest in a business’s buildings, plant and machinery,  
80 rebalancing the economy and cutting the average business rates bill  
81 in over 90% of local authorities.

*Applicability: England.*

*Mover: 7 minutes; summation of motion and movers and summation of any amendments: 4 minutes; all other speakers: 3 minutes. For eligibility and procedure for speaking in this debate, see page 9.*

*The deadline for amendments to this motion – see page 11 – is 13.00, Monday 4 March. Amendments selected for debate will be printed in Conference Extra and Sunday’s Conference Daily.*

### **F16 No to Unpaid Internships, Yes to Real Opportunities**

*Young Liberals*

Mover: Tara Copeland.

Summation: Jack Worrall.

- 1 Conference notes that:
- 2 i) An internship is a fixed period of work, undertaken to develop
- 3 skills and experience with a view to pursuing a career in a sector.
- 4 ii) Under the 1998 National Minimum Wage Act all workers –
- 5 including interns – are entitled to the minimum wage, unless
- 6 they are working as volunteers: in practice some voluntary roles

# Sunday 17 March

- 7 are effectively unpaid internships.
- 8 iii) In January 2018 The Sutton Trust, a social mobility charity,  
9 estimated that over 40% of internships carried out by young  
10 people were unpaid. It is estimated that, even with travel costs  
11 paid, the minimum living cost of an intern was over £1,000 per  
12 month in London and over £800 per month in Manchester.
- 13 iv) The 2017 report from the All-Party Parliamentary Group on  
14 Social Mobility warned that the existence of unpaid internships  
15 was a contributing factor to the dominance of young people  
16 from wealthy backgrounds in high-paying professions.
- 17 v) Both the Sutton Trust and the All-Party Parliamentary Group  
18 on Social Mobility, as well as other specialist groups such as the  
19 Social Mobility Commission, have called for unpaid internships  
20 over four weeks long to be banned.
- 21 vi) YouGov polls have shown that 70% of the public support the  
22 aforementioned measure, as do two thirds of businesses, with  
23 only one in eight businesses opposed.

24 Conference believes that:

- 25 a) While some individuals with access to savings may benefit from  
26 unpaid internships, this is at the expense of the majority without  
27 access to such savings, and prevents the latter from having a fair  
28 chance to compete for opportunities.
- 29 b) That work experience placements, apart from those that are part  
30 of a course leading to a recognised qualification, lasting more  
31 than four weeks should be classified as employment.
- 32 c) That having paid and publicly advertised internships, for a period  
33 greater than four weeks, will boost the number of people taking  
34 up internships and thus diversify the pool of talent.

35 Conference calls for:

- 36 1. Better enforcement of existing law to ensure that voluntary roles  
37 are truly voluntary.
- 38 2. All work experience placements, unless they are part of a course  
39 leading to a recognised qualification, that last for more than four  
40 weeks to be treated as employment, requiring a contract and the  
41 National Minimum Wage.
- 42 3. All internships to be advertised on the same basis that  
43 organisations advertise their jobs.

*Applicability: Federal.*

- e) Ambiguous.

## 4.4 Emergency motions

The Committee may reject an emergency motion if:

- a) It is similar in effect to another motion that has been selected for debate or ballot.

No amendment shall be taken to any motion selected under this Standing Order.

## 4.5 Ballots for emergency motions

All emergency motions, except those rejected under Standing Order 4.4, must be placed either on the agenda for debate or in a ballot for selection by Conference. The Committee may hold separate ballots to select which of a range of emergency policy motions and which of a range of emergency business motions to debate. If one or more ballots is held the Committee shall circulate the text of all balloted motions to the voting members as soon as practicable and shall specify a closing time for the ballot. Following the counting of any ballots the Committee shall organise the debates on the motions in the order chosen by conference in the ballots.

# Standing orders

they are likely to provoke a lively discussion.

## 5. Special meetings

### 5.1 Timetabling of special meetings

The Committee shall, as soon as practicable after the requisitioning of a special meeting of the conference, fix a date for the meeting, draw up the agenda and, if appropriate, specify a date for the submission of amendments. The meeting shall deal only with the business stated in the notice of requisition save that the Committee may allow time for emergency motions and for business which is formal or, in its opinion, uncontentious.

### 5.2 Preferred timescales for special meetings

In setting dates for the submission of motions and amendments and giving notice thereof and of the conference itself the Committee shall endeavour to follow the timescales laid down elsewhere in these standing orders but, where this is not practicable, the Committee shall set such dates as it sees fit.

## 6. Appeals

### 6.1 Appeals against rejection of motions

The Committee shall provide written reasoning to the nominee of the proposers for the rejection of any motion or amendment. The proposers may appeal, in writing, to the next meeting of the Committee. Any such appeal shall provide reasons why, in the opinion of the proposers, the expressed reasons for rejection are not valid. If the appeal is allowed, the motion or amendment shall be treated as an emergency motion or amendment according to the stage of the agenda-setting process at which the

appeal has been allowed.

### 6.2 Appeals against exclusion from conference

Any person excluded from conference by a decision of the Chief Steward shall have the right of appeal to the Committee at the next of its regular meetings. The exclusion shall remain in force pending the appeal.

## 7. The chair

### 8.2 Withdrawal of motions and amendments

Once the Committee has included a motion or amendment, or part of a motion or amendment, in the agenda, may not be withdrawn except by leave of conference.

### 8.3 The order of debate

The Committee shall direct the order of debate. Generally, however, a

# Standing orders

motion will be moved and immediately thereafter the amendments and options will be moved in the order directed by the Committee. There will then be a general debate. The movers of amendments and options (or their nominees) shall have the right of reply in the same order (except that where an amendment or option has not been opposed during the debate, the chair of the session shall have the right to direct that its movers shall not exercise their right of reply), after which the mover of the motion (or the mover's nominee) shall have the right of reply. Votes shall then be taken on the amendments and options in the order in which they have been moved and, finally, on the substantive motion. The Committee may direct that part of any motion or amendment or groups or amendments may be the subject of a separate debate.

## 8.4 Topical issue discussions

The Committee shall direct the order of the discussion. Normally the proposer of the subject shall speak first, and a representative of the Federal Policy Committee shall speak last.

## 8.5 Who may speak

All voting members may speak at a full session of conference. Additionally, the Committee may invite any person to address the conference as a guest. Neither such provision shall prejudice the right of the chair of a session to select speakers.

## 8.6 The special rights of the Federal Committees

Provided that the Federal Policy Committee is not proposing the motion or any of the amendments to be taken in a debate on a policy motion or on motions relating to the policy-making processes of the Party it shall have the right to nominate a person to report

its views on the subject before the conference. The Federal Board shall have similar rights on business motions or motions to amend the constitution, as shall the Federal Conference Committee on motions relating to the proceeding and procedures of the conference and to amend standing orders. Such a person shall be called to speak for the same length of time as the person replying on behalf of the mover of the motion.

## 8.7 The selection of speakers

Voting members wishing to speak in any debate shall submit a speaker's card, prior to the commencement of the debate in which they wish to speak, stating whether they wish to speak for or against an amendment, the motion or part of the motion. The chair shall be responsible for the choice of the speakers and shall attempt to provide a balanced debate between the different viewpoints in the conference, but may announce a departure from this rule if there is an overwhelming preponderance of members wishing to speak on the same side. The chair shall have the discretion to accept speakers' cards after the start of the debate. Save as provided for in these standing orders, no person may speak more than once in any debate.

## 8.8 The length of speeches

The Committee shall set out in the agenda time limits for speeches.

- c) When the request is to be taken, the chair shall read the statement of

reasons and ask conference whether it wishes to consider the request to move to next business. If conference decides, by a simple majority of those voting, to do so, the person who made the request may speak. The chair may allow other speakers. All speeches under this standing order shall be limited to two minutes. If conference decides not to debate the proposal, it falls.

- d) The proposal shall require a two-thirds majority of those voting being to be passed. The submission shall state to whom the motion is to be referred and shall include a statement of the reasons, including reasons why voting against the motion would not achieve a similar result, not exceeding 75 words.
- b) The chair may take the request to refer back at whatever stage of the debate they consider appropriate. If more than one request is received, the chair shall decide which to take. No more than one request may be taken with respect to any motion.
- c) When the request is to be taken, the chair shall read the statement of reasons and ask conference whether it wishes to consider the request

# Standing orders

to refer. If conference decides, by a simple majority of those voting, to do so, the person who made the request may speak and the mover of the substantive motion, or their nominee, may reply. The chair may allow other speakers. All speeches under this standing order shall be limited to two minutes. If conference decides not to debate the reference back, it falls.

- d) The reference back shall require a simple majority of those voting to be passed. If it is carried the current agenda item shall be abandoned without any further debate or vote and, at the discretion of the chair, either the next agenda item shall be taken or there shall be an adjournment until the time at which the next agenda item was due to be taken.
- e) If the substantive motion is referred to the Federal Board, the Federal Policy Committee or the Federal Conference Committee that body shall, in its report to the next meeting of the conference, state what action it has taken on the reference.

If it is carried the current agenda item shall be abandoned without any further debate or vote and, at the discretion of the chair, either the next agenda item shall be taken or there shall be an adjournment until the time at which the next agenda item was due to be taken.
- d) If passed, the Federal Policy Committee shall, before the next meeting of the conference, circulate its reasons for acting under this section and its comments on the motion and any amendments thereto accepted for debate.

## 11.4 Separate vote

A voting member of conference may request that the chair take a separate vote on a part of a motion or amendment provided that such a request is in writing and received by the commencement of the first conference session on the day before the debate is scheduled. If the debate is scheduled for the first day of conference, the request must be received in writing by the same deadline as that for emergency motions. The Committee shall have complete discretion whether to take a separate vote. In exceptional circumstances, the Chair of the debate shall have discretion to accept a request for a separate vote if it is received in writing after this deadline.

## 11.5 Counted vote

Any voting member may ask for a counted vote, which shall be taken if the request is supported by 50 members rising in their places and showing their voting cards.

## 11.6 Suspension of standing orders

- a) A voting conference member may,

# Standing orders

during any full conference session, move a motion for the suspension of standing orders. The mover shall submit the motion together with a written statement of its purpose, not exceeding 75 words, to the chair, who shall read them to the meeting. The chair may either take the request immediately upon receipt, or at the end of the speech currently being made.

- b) No motion to suspend standing orders may suspend any requirement of the constitution, nor any part of these standing orders which govern:
  - i) The rights of, or timetable for, submission of motions and amendments.
  - ii) Consultative sessions.
  - iii) Procedural motions for next business or suspension of standing orders.
- c) No motion to suspend standing orders to introduce a motion or amendment on to the agenda can be taken unless the motion or amendment has been submitted to the Committee in accordance with the published timetable and, where a right of appeal against non-selection exists, the right has been exercised.
- d) The chair shall read the statement of purpose and, if the suspension is allowable in the terms of this standing order, ask the conference whether it wishes to debate the request for suspension. If the conference decides not to debate the request, it falls. If the conference decides, by a majority of those present and voting, to hear the request the mover may speak and a representative of the Committee may reply. The chair shall have the discretion to allow other speakers. All speeches on the motion to suspend standing orders will be limited to two minutes.

- e) A motion to suspend standing orders shall only be carried if supported by at least two-thirds of the conference members voting. If the procedural motion is carried all standing orders shall remain in force except only for the purposes set out in the motion.

No procedural motion can be moved during a vote.

## 12 Reports

### 12.1 Which reports are tabled

The business session or sessions of the conference must include consideration of reports from the bodies listed in Standing Order 1.1(b).

### 12.2 Submission and selection of questions

A voting member may submit questions to any report tabled for consideration, by the deadlines set under Standing Orders 1.5 (d) and (e). After the report is moved, the mover, or their nominee, shall answer the

# Standing orders

questions in turn. The chair shall determine the time given to the mover in moving the report and replying to questions. The chair shall also determine how many of the published questions, and how many of the questions submitted under Standing Order 1.5 (e), can be taken. After the conference the Committee shall publish the answers to all questions submitted under Standing Orders 1.5 (d) and (e) which are in order, and to all supplementary questions asked.
