

## Geek Sheet 9 - Membership rebates

You can now view information about your local party's membership rebates using a new feature in Lighthouse. To get started, click on "Finances", and select "Membership Rebates" from the menu.

You will be directed to the Membership Rebates page, where you will see the information arranged across the screen. A description of what each column header refers to can be found in the table below.

Column header	Explanation
Reference	The unique reference code which identifies a specific rebate
Date	The date the rebate was created
Due	The date the rebate is due for payment
Paid	The date the rebate was paid
Compliant	Whether your local party remains compliant
Previous Qtr	The number of local members at the end of the previous quarter
Current Qtr	The number of local members at the end of the current quarter
Difference	The difference between the two membership totals listed previously
Bonus Qualified	Whether the local party qualifies for the <a href="#">Membership Incentive Scheme</a> bonus
Quarter Total	The local party's total membership income for the current quarter
Local Split	The percentage of the Quarter Total which is returned to the local party as a rebate
Digital Service	The fee paid by the local party for digital services
Deducted	The amount deducted from the local party to cover Electoral Commission fines
Excluding Bonus	The percentage of the Quarter Total which is returned to the local party as a rebate
25% Eligible	25% of a locally-recruited member's membership income, which is payable to the local party in the second and third year that the member renews (total for all eligible members shown)
50% Eligible	50% of a locally-recruited member's membership income, which is payable to the local party the first time the member renews (total for all eligible members shown)
Bonus	Amount owed to the local party as a Membership Incentive Scheme bonus
To Pay	The sum of the Excluding Bonus and Bonus columns - ie, the amount owed to the local party
